Product End-of-Life Notification

Dear Valued Customer:

As part of our on-going product lifecycle management process, we have identified the following product that will be transitioned to “End-of-Life” status and have offered a possible alternative(s).

EOL Product	Alternative Replacements
IDG-300	IDG-400 or IDG-500

Under the terms of the last time buy program, orders will be accepted for 90 days commencing with the date of this notice after which no additional orders will be accepted. Scheduled deliveries will be permitted within 60 days of the last time buy date. Thereafter, these products will be considered obsolete and no additional deliveries will be made.

Last Time Buy date: June 22, 2009

Last Time Ship date: December 22, 2009

Minimum buy quantities vary by product. Please contact InvenSense for the exact quantity available. Acceptance of last time buy orders is subject to product availability and is at the discretion of InvenSense. Every effort will be made to fulfill these orders. However, we reserve the right to short ship the order.

Products purchased during this end-of-life transition period will be fully covered by InvenSense’s standard product warranty. Purchase orders for these products will be considered non-cancelable, non-returnable (NCNR). Potential product returns will be accepted under our normal RMA procedures. Failure analysis will be limited to verification of failure and remedies will be limited to credit of the purchase price of the product.

If you have any questions concerning this End-of-Life notification, please contact InvenSense’s sales representative.

Regards,

Daniel Goehl
